By Order,

*Chief Secretary to Government*

The proposal throws additional expenditure on Government and with a deficit condition of State finances, there is no means of meeting it

The rule reserving power to Government for appointing Official Presidents does not require that the whole or any part of the pay of such President should be paid by Government The Bangalore City Municipality is already being sufficiently subsidised by Government, e g the Chamarajendra Water Works and it is not right to burden the general tax-payer with the cost of employing an officer the benefit of whose services is enjoyed by the rate-payers of that City For the above reasons, the Finance Department cannot agree to the proposal

A

With the approval of His Highness, Mr Ananda Rao Sirsi, Deputy Commissioner, Tumkur District, was appointed as an official President of the Bangalore City Municipal Council tentatively for a period of one year.

2. The question of the salary payable to Mr. Ananda Rao Sirsi during his employment as President of the City Municipal Council was discussed in Council at a meeting held on the 5th January 1922 and the Council resolution stands as follows -

Page 14 of notes

" Mr Ananda Rao [illegible] may be given a salary of Rs. 800 (his grade pay as Deputy Commissioner) plus an allowance of Rs 200 The excess over the present cost of the Municipality on account of allowance to non-official President and pay and allowance of Chief Officer may, as a special case, be borne by Government As long as the Chief Officer continues, the amount to be borne by Government will be the difference between the salary of Mr Ananda Rao Sirsi and the allowance to the non-official President "

Page 15 of notes

3 The Financial Secretary has noted as follows on the resolution -

" The proposal throws additional expenditure on Government and with a deficit condition of State finances, there is no means of meeting it The rule reserving power to Government for appointing official Presidents does not require that the whole or any part of the pay of such President should be paid by Government The Bangalore City Municipality is already being sufficiently subsidised by Government, e g , the Chamarajendra Water Works, and it is not right to burden the general taxpayer with the cost of employing an officer, the benefit of whose services is enjoyed by the rate-payers of that City For the above reasons, the Finance Department cannot agree to the proposal "

4 As the Municipal Council is already meeting the pay and allowance of the Chief Officer whose appointment is ordered to be abolished three months hence, when the expenditure debitable to Government will be only Rs 100, i.e., difference between the pay of the official President and the Chief Officer (Rs 1000 - 900 = 100), it is considered

considered inequitable to throw the entire burden of meeting the whole pay of the official President for three months on the Municipal Council.

5. I therefore solicit the gracious approval of His Highness to the resolution of the Council

Dewan of Mysore,

B A N G A L O R E

Sir,

Under Government Notification No.4698-ML-45-18-3 dated the 23rd September 1918, a meeting of the newly constituted Council of the Bangalore City Municipality was held on Saturday 5th November 1921 for the purpose of electing the President of the Council. There were 27 Councillors present, of whom one being a Candidate for the Presidentship, 26 were entitled to vote under the aforesaid Notification The voting having been proceeded with, it was found on a scrutiny of the voting papers that Mr. B. K. Garudachar, one of the Candidates, had obtained 16 votes and Mr M. Subbiah, the only other Candidate, had obtained 10 votes As the both the Candidates who stood for election failed to procure the required majority of votes under Clause vii C., of the Notification, the meeting was closed by the Chairman of the meeting. It is understood that the proceedings of the meeting have been since submitted to the Government for their Orders

2 Seeing that Mr. B. K. Garudachar received only 2 votes less than the required number of votes for his being elected President as required under Clause xi of the Notification above cited, we the undersigned Councillors respectfully request that he be kindly nominated by the Government as President. We beg to invite the attention of the Government to the fact that the election has resulted in the manner it has done previously because of the impossibility, to satisfy the technical requirement of securing a particular minimum number of votes as prescribed

cribed in Clause vi of the Notification. Government has under Clause xi of the same Notification the discretionary power vested in them to nominate the President in cases of this kind, among others. In the present instance, the election of Mr. Garudachar who secured as many as 18 votes out of a total of 26, shows that a large body of the Council is in favour of his Candidature. But for the unfortunate feeling now prevailing it is reasonable to suppose that his election would have been a fait accomplai. A fresh election in the present state of affairs, especially when the work in connection with the visit of H.R.H. the Prince of Wales is in hand, would not be the best solution of the impasse created. In view of this fact and the great necessity there is for assuring in some measure the continuity of City Municipal Policy and administration, the undersigned Councillors feel it incumbent on them to respectfully urge on the Government the desirability of nominating for the ensuing term Mr. Garudachar to the Office of Honorary President of the City Municipal Council. Mr. Garudachar has not only secured the largest number of votes at the last election but also enjoys the confidence in a large measure of his fellow-Councillors. In nominating him Government will be not only facilitating the smooth working for the ensuing term of the City Municipal administration but also easing a difficult situation.

3. The undersigned hope and trust that Government will view the suggestion made herein sympathetically and in the interests of the City and of its well-being nominate Mr. Garudachar to the Office of President. They would only urge one other point in his favour for the favourable consideration of Government. When the Office of President was thrown open to election, Raja Diwan Bahadur K.P. Puttanna Chetty C.I.E., had already been in it for 18 months Mr. Garudachar has thus been President only for 18 months which is half the statutory period of a

President's normal tenure of Office. While it may be readily conceded that no body has a prescriptive right to any Office, it might, with justice, be urged that in the present instance the nomination of Mr. Garudachar for the ensuing term---coevil with the life of the new Council-----would be not only giving him a further opportunity to continue the good work he has been doing but also doing him justice as an old and valued Councillor of the Bangalore City Municipal Council.

Sir. I beg to state that in the election that took place on the 5th November for the Hon-Presidentship of the Bangalore City Municipality I stood as a candidate in Competition with Mr B.K. Garudachar the ex-President. I secured 10 votes and Mr Garudachar 16 both of us thereby losing the chance of election with the result that Government have now to nominate the President.

I learn that Mr Garudachar is trying to secure the nomination on the ground that he has secured a majority of votes including those of a few non-Brahmin Voters. In this Connection I beg to bring the following facts for your kind Consideration.

Two years ago when the right of electing three own Commissioners was conferred on the Municipal Council by the Govt Mr Garudachar alone stood for election and requested the non-Brahmin Members of the Council to vote for him and promised that

if they helped him then he would not stand again
after the expiry of the period of office. The late Dr
Sir Basavaraj our leader warned us not to be lured
by the promises of the party and advised us to stand
aloof as the fight was purely a private self interest
fight & felt that as he was the only candidate standing
even as there was no non-brahmin rival in the
field it would be a dog-in-the-manger policy
if we did not help him win and avail himself
of the valued privilege conferred by Govt. Therefore
I strongly advised all the non-brahmin Councillors to attend
the meeting and vote for Dr Ganadachar unanimously
which they did with the exception of three of Dr Basavaraj

What Dr Basavaraj foretold has now
come true. Dr Ganadachar forfeiting his promise
has again stood for election at the end of his term
encouraged by the support promised by a number
of non-brahmin Councillors who are under obligations
to him in his official capacity as the Director of the
Bank of Mysore, by the Mills and other Concerns. In
many cases undue influences and pressure were
also brought to bear upon them to serve his ends.
The existing Brahmin & non-brahmin feeling was
worked up, all the Brahmins stood solid and those
non-brahmins who had promised support were bound
down. Dr Ganadachar has come to grief

he held all the trumph Cards and with all that he was defeated, thereby indicating how the non-brahmins has been turned to his side much against their will But for this Campaign of exploiting the non-brahmin Obligation, I would have certainly come out successful in the election.

In the light of the above facts I trust that it will be evident that Mr Ganeshachar efforts to secure a seat on the score of having secured the largest number of votes including those of the non-brahmin Councillors falls to the ground.

Whether the claims put forward by Mr Ganeshachar are entertained or not, I beg to submit that my claims are more deserving of sympathetic consideration of the Govt. Mr Ganeshachar had the first chance of being the Hon President And I had not any Chance at all although I possess the necessary qualifications I have served the Bangalore City Municipality as a Councillor for any Division since 1901 with only a single break - During the long period of 17 yrs of my connection with the Municipality, I have acquired an intimate knowledge of its internal working and insight into its administrative details In the meantime I have been a member of almost all the Councils and assemblies of the State taking a keen interest in the various

It will be seen from the above facts that I
possess varied experience and have obtained
exceptional training in public work. Added to
this I am a graduate and a man of independent

For the above reasons I beg that I may

Sirdar Sir M. Kantaraj Urs, K.C.I.E.,C.S.I.,
Dewan of Mysore, Bangalore.

Respected Sir,

We the undersigned members of the Bangalore City Municipal Council beg to bring the following matter to your kind and favourable consideration.

We are given to understand that an attempt is being made by certain members of the Municipal Council to secure the nomination of Mr B.K. Garudachar to the Office of the President and Mr. Abdur Rahman to the Office of the Vice-President by means of submitting petition to the Government. Soon after the first meeting of the - election ended in a fiasco a petition was submitted to the Government in which the nomination of only the President had been urged. This procedure was absolutely objectionable.

The second election which was held yesterday having also proved abortive some of the members once again adopted the above course but under a different form, namely, that of sending a resolution passed at a private meeting said to have been held by them. This time they went a step - forward in asking the Government to nominate according to their will both the President and the Vice-President

The above meeting had no connection with the Municipal Council. If any modification of the rules is desirable it is for the Municipal Council to send in a - resolution to that effect but not for a few Councillors by

(59)

submitting petitions. No signatures of any of the members present at this private meeting were obtained for the - resolutions. Except the interested few the rest that were present yesterday morning were not in sympathy with the resolutions, particularly that resolution which asked for the nomination of particular persons since it savoured of a dictatorial attitude.

The so-called presence of 20 members at the - private meeting is also a matter of proof, because some of the members and also the Chief Officer left the Office soon after it was declared that there was no quorum and no proceedings could be conducted And some members who were in the big compound of the Municipal and District Offices were not summoned to attend this meeting. To say therefore that 20 members were present is not true.

Out of the 20 members who were at first present some were completely in sympathy with the candidatures of Mr. M. Subbiah, B.A., and Mr. P M. Basappa, and if the ballot had taken place it would have shown unmistakeably that Mr E.K.Garudachar could not have secured even the 16 votes which he had to his credit on the first occasion, and that Mr Abdur Rahman would have fared much worse Any theory built on suppositions and contrary to this is altogether unwarranted.

It may be respectfully submitted that Mr. B.K Garudachar has thus been discredited on two occasions.

During the tenure of his office he has misbehaved himself on several occasions, bringing discredit to the Municipal Council itself. The undersigned think that this is not the occasion for them to deal with the details in this respect. He created such bad blood and sowed seeds of dis-union by forming a clique that it is impossible for him to carry on the administration of the Municipal Council with any

degree of smoothness or satisfaction. During his term the denominational questions suffered considerably and he became a partisan to the considerable detriment of the general interests of the Municipality. His wilful omission to call for a special meeting of the Municiapl Council to decide about the burial of late Janopakari Doddanna Shetty in spite of the repeated and pressing requests of hundreds of citizens of Bangalore is only one of the instances which has made him most unpopular in the City.

The feelings have been embittered to such an extent that it is apprehended that in the event by his being nominated the undersigned members of the Municipality and those that follow their creed will be persecuted. The methods adopted by him during the two election campaigns were so unhealthy and objectionable that they amount to coercion. The undersigned are prepared if only an opportunity is afforded to them to adduce sufficient evidence in support of their statement. The manner in which the effect of voting by ballot was sought to be nullified by securing the signatures of the members at the first instance by personal infl ence and the manoevring in the Chamber of Commerce whose President was Mr B. Garudachar to force the hands of its representative to vote for Mr. Garudachar and the manipulation at the meeting yesterday under the personal guidance of Mr Garudachar for securing his nomination are only a few instances of the improper methods adopted by him and those interested in him

Under these circumstances we feel constrained to lay our protest against any such proposal for the nomination even temporarily of Mr B . Garudachar and Mr Abdur Rahman.

We respectfully submit that any other members of any

nationality or creed may be nominated and we assure to heartily co-operate with them.

Order No. R 3642-4/Mu.

Dated, 21st December 1921

The term of the Bangalore City Municipal Council having expired on the 3rd November 1921, the Council was reconstituted with effect from the 4th idem In accordance with the Rules for the election of Presidents and Vice Presidents of City Municipal Councils published in Govt Notification No 4696/41 45-18-3 dated 23rd Septr. 1918, ~~arrangements were made by~~ the President of the out-going Council made arrangements to hold the first meeting of the new Council on the 5th November 1921 for the election of the President He also reported that the election of the Vice President had been deferred, as there was a ~~proposal~~ subject before the Council ~~for the abolition of the office~~ that the placing the B & D be done away with"

Date 24/12-/21
Signed by Mr D.C.S

At the meeting held on the 5th November 1921, two candidates viz, Messrs B K Garudachar and [illegible].Subbiah, B A., stood for election as President but neither of them succeeded as they both failed to secure two-thirds of the total number of votes of the Councillors present at the meeting, as required by the Rules.

2. When the result of the

(53

(52

the election was reported for the orders of Govt., they considered it desirable to give the Council another opportunity of exercising the privilege of electing its own President and requested the Chief Officer of the Municipality to arrange to hold a special meeting of the Council at a very early date for the election of both the President and the Vice President.

A special meeting was accordingly convened for the 7th December 1921, but no election could take place on that date as the number of Councillors present fell short of the prescribed quorum viz., three-fourths of the total number of Councillors.

3. The election of President having thus failed for the second time it has become necessary for the Govt to appoint a President themselves.

Mr. O'Shaughnessy

4. The Government have given their very careful consideration to the question of making a suitable selection for this important office On the 7th Decr. 1921, after the the special meeting of the Municipal Council a deputation of certain members of the Council headed by the Rev. A. Brockbank waited on the Dewan and presented a copy of the proceedings of a meeting of 20 Councillors held that day at which resolutions had been passed requesting the Govt. to amend the Election Rules in certain directions and to nominate Mr. B.K. Garudachar as President and Mr. B. Abdur Rahmon, B.A. as Vice-President till an election under the amended Rules should take place.

The meeting at which the above resolutions were passed ~~cannot be deemed to have been~~ a special meeting of the Municipal Council and these resolutions have no validity as representing the considered opinion of the Council. The Government are therefore unable to act on the suggestions put forward by the deputation as to the nomination of ~~a~~ President ~~from among the existing Councillors~~

5. From the information before them, they are satisfied that the failure of the election has been due to the existence of strong party feeling in the Council and they are of opinion that the nomination of any of the present Councillors as President is not likely to be conducive to the smooth and harmonious working of the Council, and that it is necessary to appoint an official of high standing

as President temporarily for a period of one year. They are accordingly pleased to appoint Mr. Ananda Rao Sirsi, B.A., LL.B., Deputy Commissioner, Tumkur District as President of the Bangalore City Municipal Council.

6 As the above appointment involves the increase of the number of nominated members 10, it is necessary to raise the total number of Councillors constituting the Council from 28 to 30 as from the date of this order, and to throw open one more seat for election. The necessary notification regarding the change in the constitution of the Council will issue separately.

7. As regards the Vice-President of the Municipal Council, Government are pleased to allow the Council to hold a fresh election according to the rules at an early date and to report the result for the orders of Govt.

8. The results of these elections have ~~however~~ shown that the existing rules for the election of President and Vice President may in practice be found to be unworkable unless there is almost complete unanimity among the Councillors as to the candidates to be elected. The question of amending the present rules will be taken into consideration at a very early date in consultation with the City Municipal Councils concerned.

9 Separate orders will issue

(5)

regarding the salary of Mr. Ananda Rao Sirsi, B.A. [illegible], during his employment as President of the Bangalore City Municipal Counsil. The appointment of an official President has rendered the post of the Chief Officer of the Municipal Council unnecessary and this post will not be continued after three months ~~from~~ from this date.

The Presidents of the City
Municipal Councils of
Bangalore and Mysore.

Sir,

The results of the recent elections of the President and Vice President of the Bangalore City Municipal Council have shown that the existing Rules in respect of these elections (quoted in the margin*) may, in practice, be found to be unworkable unless there is an almost complete unanimity among the Councillors as to the candidates to be elected and Govt. consider it desirable to amend the existing Rules suitably. I am therefore directed to request you to be so good as to place the matter before the Municipal Council for consideration and forward their views, with your own opinion, as to the lines on which the Rules might be amended.

I have etc.,

Rev. Secretary to Govt.

ACH.

* Rule (iii)

The election shall not be held unless at least three fourths of the total number of Councillors are present at the meeting.

Rule (vi).

Voting shall be by ballot and the election shall be decided by a majority of votes of the Councillors present at the meeting, provided that no candidate shall be declared elected unless he secures at least two-thirds of the total number of votes of the Councillors present at the meeting.
